

Eagle Scout Leadership Service Project

“Ryan’s Tribute to Flight 93”

My name is Ryan Cenk. I am a Boy Scout with Troop 150 in Gibsonia, PA. I am working on my Eagle Scout rank, and for my Eagle Scout Leadership Service Project I am supplying platforms and benches for the **Remember Me Rose Garden** in Shanksville, PA, honoring the brave men and women of Flight 93.

Visitors to the Rose Garden who walk the trails can use the benches to sit, rest, meditate, and pray. Thousands of people are expected to visit each year! I hope to supply as many as 15 benches to the Rose Garden.

Please consider donating a bench to this very worthwhile cause!

The generosity of our supplier lowered the cost of a bench to \$350, and if you donate enough for an entire bench your name and/or company name will be engraved on a plaque attached

to the bench. Please call me at 412-432-9347, or email me at ryancenk@gmail.com or wecenk@gmail.com to make your donation.

Thank You For Your Support!

All Donations Graciously Accepted!
